process or occupation directly essential to the production thereof, in any State.” (For the definition of “State” see § 784.15.)

### **§ 784.14 “Goods.”**

The definition in section 3(i) of the Act states that “goods,” as used in the Act, means “goods (including ships and marine equipment), wares, products, commodities, merchandise, or articles or subjects of commerce of any character, or any part or ingredient thereof, but does not include goods after their delivery into the actual physical possession of the ultimate consumer thereof other than a producer, manufacturer, or processor thereof.” Part 776 of this chapter, dealing with the general coverage of the Act, contains a detailed discussion of the application of this definition and what is included in it.

### **§ 784.15 “State.”**

As used in the Act, “State” means “any State of the United States or the District of Columbia or any Territory or possession of the United States” (Act, section 3(c)). The application of this definition in determining questions of “coverage under the Act’s definition of “commerce” and “produced” (see §§ 784.12, 784.13) is discussed in part 776 of this chapter, dealing with general coverage.

### **§ 784.16 “Regular rate.”**

As explained in part 778 of this chapter, dealing with overtime compensation, employees subject to the overtime pay provisions of the Act must generally receive for their overtime work in any workweek as provided in the Act not less than one and one-half times their regular rates of pay. Section 7(e) of the Act defines the term “regular rate” “to include all remuneration for employment paid to, or on behalf of, the employee” except certain payments which are expressly described in and excluded by the statutory definition. This definition, which is discussed at length in part 778 of this chapter, determines the regular rate upon which time and one-half overtime compensation must be computed under section 7(a) of the Act for employees within its general coverage who are not

exempt from the overtime provisions under either of the fishery and seafood exemptions provided by sections 13(a)(5) and 13(b)(4) or under some other exemption contained in the Act.

### **APPLICATION OF COVERAGE AND EXEMPTIONS PROVISIONS OF THE ACT**

### **§ 784.17 Basic coverage in general.**

Except as otherwise provided in specific exemptions, the minimum wage, overtime pay, and child labor standards of the Act are generally applicable to employees who engage in specified activities concerned with interstate or foreign commerce. The employment of oppressive child labor in or about establishments producing goods for such commerce is also restricted by the Act. The monetary and child labor standards of the Act are also generally applicable to other employees, not specifically exempted, who are employed in specified enterprises engaged in such commerce or in the production of goods for such commerce. The employer must observe the monetary standards with respect to all such employees in his employ except those who may be denied one or both of these benefits by virtue of some specific exemption provision of the Act, such as section 13(a)(5) or 13(b)(4). It should be noted that enterprises having employees subject to these exemptions may also have other employees who may be exempt under section 13(a)(1) of the Act, subject to conditions specified in regulations, as employees employed in a bona fide executive, administrative, or professional capacity, or in the capacity of outside salesman. The regulations governing these exemptions are set forth and explained in part 541 of this chapter.

### **§ 784.18 Commerce activities of employees.**

The Fair Labor Standards Act has applied since 1938 to all employees, not specifically exempted, who are engaged (a) in interstate or foreign commerce or (b) in the production of goods for such commerce, which is defined to include any closely related process or occupation directly essential to such production (29 U.S.C. 206(a), 207(a); and see
